August 31, 2017

Greetings in Christ!

It is our privilege and joy to host the 90<sup>th</sup> OARBC Annual Conference this fall, October 23-25. In addition to celebrating our 90<sup>th</sup> anniversary as a state association, we are receiving a new State Representative and wife, Charles "Chuck" and Linda Pausley—a double blessing! You won't want to miss this milestone conference and the opportunity to meet and greet our new state representative couple.

***Appreciating the Past, Understanding the Present, Advancing toward the Future*** is the theme of our conference. Chuck Pausley will speak on "Advancing toward the Future" both Tuesday evening and Wednesday morning, as he casts vision for our fellowship. Linda Pausley will address the women at the Ladies Tea on Monday afternoon. Let me encourage you to make every effort to be in attendance as strategic workshops will be offered to help you and your churches in doing effective ministry for Jesus' sake.

We are endeavoring to put our best foot forward in preparing for this year's conference and receiving you as our special guests. Please review the enclosed materials and let us know how we can assist you.

For the sakes of the Gospel,

David Culver  
Host Pastor
