

Branson and nearby Eureka Springs, AR.

Branson is widely known for its family friendly entertainment. With 50 theaters and more than a 100 shows, Branson is truly the live music capital of the world. Eureka Springs is known for its Passion Play and Bible museum. We have worked with "Branson Tourism Center" to help customize our trip with a good mixture and blend of popular shows, attractions, and inspiration. We believe you will love our selections. You can check out the description of each show at www.bransontourismcenter.com. As usual, we have packed each day full - "not a minute wasted." There are fabulous meals (eating like we were on a cruise), great accommodations (see for yourself via the web) and plenty of activity to entertain you on the bus as we come and go - "no time to get bored." Join Dave and Pat Warren and other Christians (mostly seniors from our Regular Baptist churches) for our 2012 September trip to Branson. Another highlight will be teaming up with a group from New York Regular Baptist Churches. They will travel on their own bus, and we will meet in Branson. It will be a fun-filled exciting seven days.
