

OARBC CAMPER SCHOLARSHIP SUNDAY

MARCH 10th

Sunday, March 10th is Camper Scholarship Sunday! We are encouraging our OARBC churches to consider highlighting our Ohio camps by taking up a special offering for camper scholarships that day. Your church may also want to consider emphasizing camp registrations for this summer, having a time of prayer for our camps, or allowing a student to share how camp has impacted them. Summer Camp is a unique and valuable resource in discipling students. Help our camps continue their gospel impact by participating in this special day.

WHY SUPPORT CAMP?

Summer Camp continues to be a place where students get the chance to step out of the routine of everyday life and experience a week of spiritual growth. The intentional, Christ-centered, programming offered at our camps is designed to help students recognize and respond to the gospel in meaningful ways. Our camps believe that God is still using camp ministry to call young people to faith and service. Scioto Hills, Camp Patmos, and Skyview Ranch are grateful for the special partnership shared with the OARBC and each camp is committed to not turning away any student who desires to attend. Consider how you might support our camps by sending campers and providing scholarships to students who otherwise might not be able to come to summer camp.

- Highlight our Camps on March 10th and encourage registrations
