STATE PROJECT FOR JUNE 1, 2025—May 31, 2026**

**Faith Baptist Community Church and Center  
2355 East 55th Street - Cleveland, Ohio 44104**

Over the years, the bathrooms at the church/center have been heavily used and there is a need to refresh and update their facilities for their clients and those who worship at the center.

Ladies, we know how much we appreciate walking into a restroom that is clean and refreshing. We are asking the Lord to help us to provide Faith Baptist Community Church /Center to have facilities that enhance the ministry of the Lord as they reach those in the inner city of Cleveland with the gospel of Christ.

Our goal: \$12,000

Your offerings to this project will give a much needed boost to their gospel outreach and spiritual growth!!  
Please pray and give as the Lord directs.
